Afterschool Activities

We have put a lot of effort into reorganising Afterschool Activities, which begin next week. Hopefully everything will run smoothly - please see Mr Sharpe with any queries. We are sure that the students will enjoy the increased range of activities.

Thank you to all those parents and others who are providing activities this term - your support is much appreciated.

Parents' Consultative Group Nominations

Nominations for the newly formed Parent Consultative Group (PCG) were not sufficient to fill all the available places. The closing date for nominations has been extended to Tuesday 10th May to allow more time for consultation amongst interested parents.

The aim of the PCG is to provide parents with an opportunity to discuss any areas of interest or concern regarding their child's education and other aspects of school life.

The PCG will consist of two parents from each class in the school, elected by the parents of that class.

It is hoped that the group will reflect the composition of the school community.

It is expected that the PCG will meet once per term together with the Principal, Deputy Principal and a representative from the Board in an informal setting to discuss issues of interest to all sections of the school community. We think this is an exciting development for the school community and will lead to improvements at the school.

Please give some thought to becoming a member or encouraging others to do so.

Nomination Forms for the School Association and the Parents' Consultative Group are available from the school office, by fax or email on request.

P&W Trivia Night

Get those thinking caps on - it's Trivia Night time!

It was such a success last year that we've decided to do it again!

The P&W and Hash Club are hosting the Trivia night on Saturday 14th May at the Hash Club commencing 7pm.

Tickets will go on sale early next term at K25 each. Organize a table of 8 or just come along & sit beside someone who looks really smart! There will be prizes and games throughout the night.
