

Thought for the week:

"The most perfect technique is that which is not noticed at all." - Pablo Casals

This Week @ TIS

P&W News

Thank you all parents, wontoks, friends and sponsors for all your wonderful support at the recent Trivia night. A great time was had by all and over K2,000 was raised - what a fantastic effort! The funds, along with other monies raised from previous fundraisers will contribute to the purchasing of, among other things, new fridges for the canteen and a new PA system.

Thank you again for your support. We hope to host another quiz night later in the year - we'll keep you posted!

Ruth McKenzie on behalf of the TIS P&W.

Canteen Lunches

There will be Canteen Lunches provided by the P&W this Friday. Menus and order forms have been distributed and are also available from the school office.

When placing your order please place money and order forms in an envelope and do not staple and tape up the orders as it can be difficult to open them.

School Surveys

Every year the IEA conducts a survey of parents at each IEA school and a random selection of parents at TIS have received a survey form this year. The information gained through this survey is very helpful in assisting us to improve the service that the school provides to you and your child.

Thanks to those parents who have taken the time to complete the surveys. If you have not already done so we would encourage you to complete and return the form this week.

IEA Visitor

We are very pleased to have Jane Macleod from the IEA Centre for Professional Development with us this week. She will be working with teachers on a variety of aspects of teaching and learning.

In addition Ms Macleod will be assisting us in preparation for the School Review which will be taking place in Term Three.

Jane has been with the IEA since the start of this year and comes from Canada. We hope that she enjoys her first visit to Tabubil and we look forward to seeing her later in the year.

Curriculum Corner

Pupil Free Day

On Friday 10th June the school will be closed for students as we shall be taking one of our occasional Professional Development Days. The day will be used by teaching staff to continue our preparation for the School Review due in Term Three. Approval for the Pupil Free day has been given by the School Board and the IEA.

The Queen's Birthday public holiday is on Monday 13th June which, together with the staff Professional Development Day, will make a four day weekend for students.

As well as the Key Learning Outcomes that we have been sharing over the last few weeks the IEA expects that...

Schools will give children the knowledge, skills, attitudes and values needed for the changing vocational and social needs of the twenty-first century. These needs include

- the valuing of lifelong learning
- a commitment to democratic ideals
- a pride in their diverse cultures, and
- the ability to be adaptable and enterprising.

Yr 6/7 are holding a Movie night on Friday the 27th of May.

We will be showing
**Spongebob Squarepants
the Movie.**

Ticket combos K5.50
Includes: Entry, drinks and Twisties

These will be pre-sold from Monday the 23rd. See Yr 6/7 students.

Drinks - K2.50 Twisties - K1.00
