

Thought for the week: "The greatest discovery of my generation is that man can alter his life simply by altering his attitude of mind." - *William James, 1842-1910, American philosopher*

School Review

As previously mentioned in TIS News the school will be taking part in the IEA School Review process this term. The review will be conducted on Monday and Tuesday of next week, 1st and 2nd August.

The IEA school review program aims to provide schools and the IEA Board of Directors with an accurate and properly documented assessment of current school performance in specified areas.

As a result of the review the school will be able to

- Celebrate those areas in which high standards have been achieved, and
- Develop effective plans to address areas of need

and the IEA will be able to

- Analyse the reasons for success and share these with other schools, and
- Target support to specific areas of need

Review Team

The Review Team will consist of Steve Garrett and Valerie Macaulay.

Steve Garrett has been working with IEA for a number of years and is currently Director with responsibility for Special Projects. Steve has held both Principal and senior positions in the education Department throughout Queensland.

Valerie Macaulay has experience across all areas of education and school administration. Val has been a teacher, counselor, deputy of a large college and was a principal of a senior secondary college in the Australian Capital Territory. She has worked extensively in leading education and training in primary and secondary schools in the ACT and NSW.

In addition the Review Team will be supported and assisted by Jane Macleod, whom some of you will have met at the school during last term. Jane is a Consulting Principal with IEA based in Port Moresby.

The review team will be happy to take the opportunity to talk with parents at various times during their visit.

P&W News

Just to let you know about our agenda for Terms 3 & 4.

Friday 5th August we will present a cheque to Tabubil Hospital for monies raised during the school Fun Run.

Friday 2nd September is school sports day and we will be making refreshments for all our exhausted athletes.

Thursday 15th September is Independence Day celebrations at the school – we will let you know of our level of participation as the time draws nearer.

Hamamas Wik is at this stage proposed for the first week of November but is subject to change.

Our annual Jumble Sale will fall sometime in Term 4 with the date to be decided.

As the P&W has a fair bit happening during the last half of the year, we would love to see some new faces helping out. Our next meeting is due for Wednesday 10th August at 1:00 p.m. in the Music Room.

*All welcome.
Deidre Logvyn*

Assembly Dates

Assemblies this term are as follows:

- Grade One: 29th July
- Prep Class: 5th August
- Grade Three: 12th August
- Grade Five: 19th August
- Grade Four: 26th August
- Grade Six / Seven: 9th September
- Grade Two: 23rd September

May be subject to change

Lunches this week

Friday canteen lunches start again this week. Remember to bring in your order and drop it in the box in the school office.

If you have suggestions for menu items for the Friday lunches please let us know.

Thanks

Special thanks go to two parents this week Casper Onbaiye and Don Yakuma, who spent a large part of Saturday installing additional computer network outlets in the school.

Don and Casper at work!

"We're happy to be back at school!"
